Subject  
*Video content permissions*

To whom it may concern,

Red Barrels permits anyone to create free or ad-supported videos (including Let's Plays, speed runs, reviews, commentary, and so on) using captured or streamed video from Red Barrels' video games.

Additional written permission from Red Barrels is required for any use of Red Barrels' art, music and audio content outside of captured in-game footage (please e-mail [info@redbarrelsgames.com](mailto:info@redbarrelsgames.com) with any such requests).

Should you decide to post videos containing Red Barrels content, we request that you provide a functional link to us (please e-mail [info@redbarrelsgames.com](mailto:info@redbarrelsgames.com) with any such requests).

Please note we reserve the right to update this policy without notice or liability. If you have further questions about this policy, please contact [info@redbarrelsgames.com](mailto:info@redbarrelsgames.com).

Thanks to all you video content creators out there for thinking of us.
